

**REMARKS**

Reconsideration of the instant application is respectfully requested. The present amendment is responsive to the Office Action of August 8, 2006, in which claims 1-15 are presently pending. Following the Applicants' amendment filed September 6, 2005, claims 1, 5, 10 and 14 are now rejected under 35 U.S.C. §102(e) as being anticipated by U.S. Patent Application 2005/0036399 of Park, et al. Claims 1, 5 and 10 are also rejected under 35 U.S.C. §102(e) as being anticipated by U.S. Patent Application 2005/0078417 of Kishl, et al. However, claims 2-4, 6-9, 11-13 and 15 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form. For the following reasons, it is respectfully submitted that the application is now in condition for allowance.

Claim 2 has been cancelled, and the allowable subject matter included therein has been incorporated into independent claim 1. Allowable claim 7 has been rewritten in independent form. Finally, claim 11 has been cancelled, with the allowable subject matter included therein incorporated into independent claim 10. The dependencies of claims 3, 6, 12 and 15 have been amended as a result of the cancellation of claims 2 and 11. |

For the above stated reasons, it is respectfully submitted that the present application is now in condition for allowance. No new matter has been entered and no additional fees are believed to be required. However, if any fees are due with respect to this Amendment, please charge them to Deposit Account No. 09-0458 maintained by Applicant's attorneys.

Respectfully submitted,  
JOACHIM NEUTZEL, ET AL.
